

GEORGES RICHARD-BRASIER AUTOMOBILES.

It is certain that people read the advertisements in the Herald, as is proved by the following letter which speaks for itself, the original of which I shall be pleased to show:—

7 Wall Street,
New York

August 19, 1903.

Mr. E. B. Gallagher

152 West 38th st., New York.

My Dear Mr. Gallagher:—

I noticed your advertisement in Sunday's Herald of August 9 and 10. While I have not been consulted in this matter as yet by you, it is clear to me that I am the "friend who gave advice to the broker who purchased a 'Richard' without having seen it."

Your statements in last Sunday's Herald about me were all right as far as they went, but they did not go half far enough. My little 10 H. P. "Richard," besides having travelled over 7,000 miles, has never once given me the slightest trouble during all the time I have owned it, which, by the way, is over a year.

You cannot realize what a satisfaction and a pleasure it is to own an automobile that is always reliable, never gets out of order, and at the same time holds its own when speed is a question.

My own private opinion, based on experience, is that the "Richard" car is one of the best cars built, either in this country or any other country.

Yours very truly,

New Noiseless Models of 10, 12, 24 and 40 H. P. IMMEDIATE DELIVERY.
